

Get Creative

Ideal if: you want to explore and experiment with a range of creative skills, while gaining the necessary know-how to progress on to a Level 2 qualification.

You'll learn: about art and design, performing arts, video and media at an introductory level.

Expect: to develop your English and maths skills, as well as take part in work-related activities to enable you to progress.

You'll love: gaining experience and growing your confidence in a broad range of creative skills.

This course gives you the opportunity to explore and experiment in a range of creative skills.

Your studies will include:

Art and photography

Media

Performing Arts

You'll work with specialised staff to develop a range of skills. All students will follow a full programme of functional skills (English and Maths) which is integrated into the main course of study.
