

Maths Functional Skills - Level 2

This course will equip learners with a detailed understanding of Functional Skills in Maths Level 2, including core modules that will aid employability and confidence in key skills.

The on-line e-learning resources are sequenced to challenge the learner and maximise the development of crucial skills for work and life. Learners will work through all the key modules to fully prepare themselves for their Functional Skills examination.

Based on an average weekly study time of 6-10 hours you could complete the qualification in as little as 6 weeks.

All of our award-winning learning resources are of the highest quality and are designed to be engaging and interactive to keep you focused on your learning at all times.

What you will learn.

Our Functional Skills Maths Level 2 on-line course is made up of three key modules.

Handling information and data
Measures, shapes and space
Using numbers and the number system

Benefits

Fully prepares learners for the Functional Skills Maths Level 2 examination.

Courses are delivered via distance learning, allowing learners to choose when and where to study
Engaging and interactive activities that stretch learners' thinking and help put their new, extended knowledge into practice

Study will develop learners' knowledge, skills and confidence around crucial Maths topics, to enhance their future work, everyday life and employability

Study will develop learners' knowledge, skills and confidence to enhance their future work and life.

On successful completion of the on-line modules you will be entered to sit an assessment under exam conditions at our Gloucester Campus, Llanthony Road, Gloucester, GL2 5JQ at a mutually convenient time. Photo ID will need to be provided in order to verify your identity to sit the assessment.

Please note completion of the on-line modules alone is not the equivalent of the qualification and certification will not be processed until the on-site assessment has been successfully achieved.

System Requirements

You will need access to a PC or laptop with a good internet connection. This course cannot be completed using a tablet or mobile phone.

Entry Requirements

This course is fully funded and ideal for adult learners aged 19 and above (as at 31st August of the academic year you are applying for) who wish to improve their Maths skills and gain a recognised qualification.

Please apply via our website whereby you will receive an email requesting the completion of an initial assessment so we can determine your eligibility and ensure you are assigned to the correct level.

If you already hold a Level 1 at Functional Skills, GCSE at Grade 3 (D) or equivalent qualification and can provide a copy of your certificate you may not need to complete an initial assessment. Please contact our admission team for guidance via applications@gloscol.ac.uk

Please note you may only complete one English or maths qualification at a time so please select your preferred choice when applying.
